【村田真哉】Shinya Murata

武器と技巧を駆使しバッタを狩るカマキリは、虫の中では子供時代から長らく憧れの存在でした。それだけに、バッタ目でありながらカマドリを名乗る青い生きりリックが初に今また世界は大きく、その知名ぶりのまま「昭和」と「現代」の融合となって表れています。

【しんじシンセン】Shinjisenzen

お手に取って頂きありがとう御座います。ここ数年はとんど日に当たらない生活が続いています。ただでさえ向い虫が苦手に向くなる一方とまじな人に会うと「前色が悪くなった」と言われる始末です。猫を飼うと良いがら不健康そうなのでどうにかせねば…。日中外出するようにするのが一番なのでしょうが、その為には多仕事の手を早くする所から始めるといいのでは？

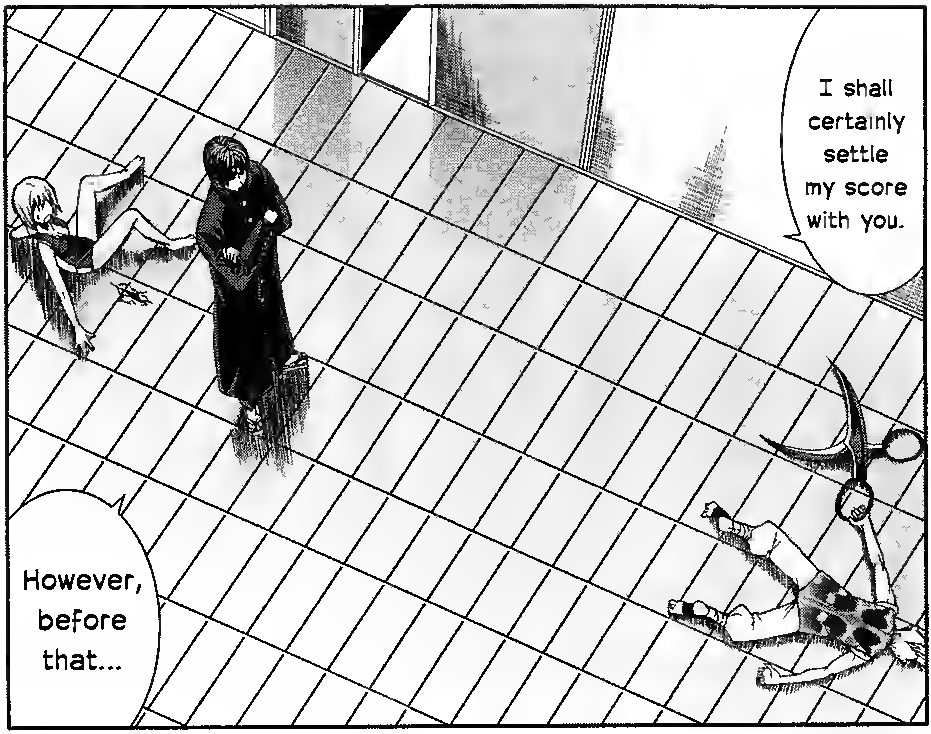
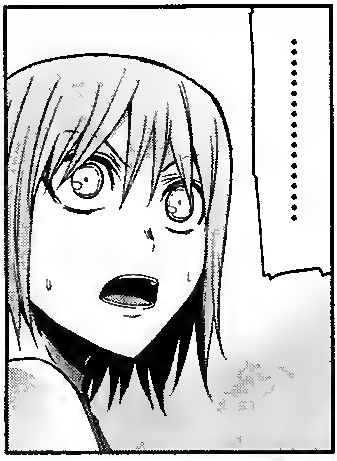
Hibiki...
...senpai...

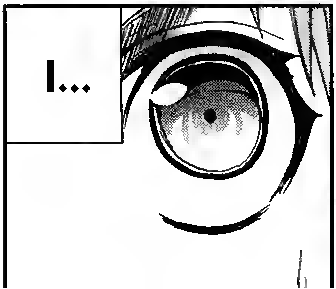
Don't mis-
understand.



I shall certainly settle my score with you.
However, before that...



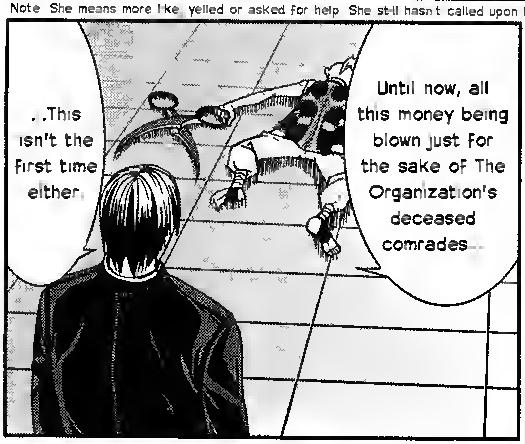
.....



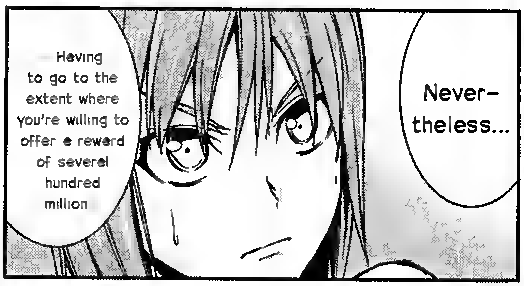
I...

That is all.
People should only act once they have a reason, from figuring out their own personal strife.

Note: She means more like, yelled or asked for help. She still hasn't called upon him, and he jumped in.



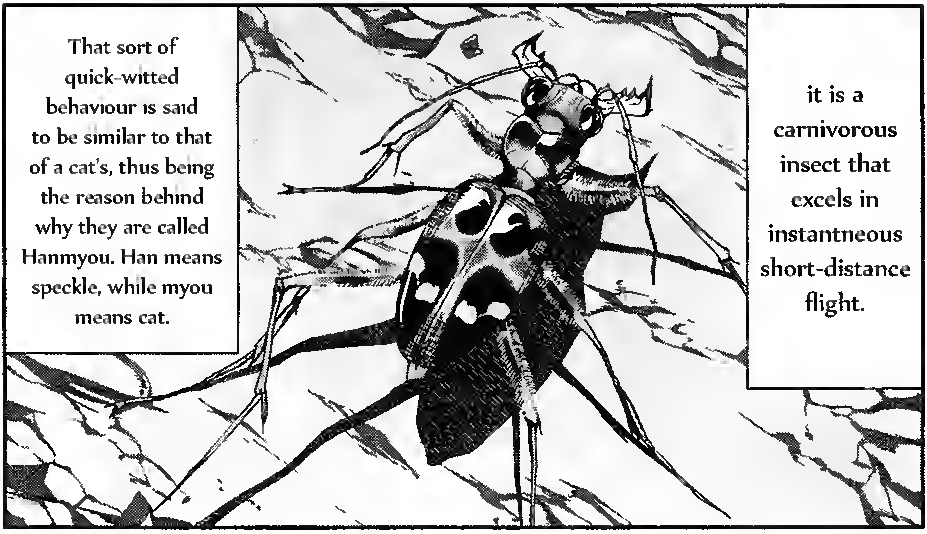
Until now, all this money being blown just for the sake of The Organization's deceased comrades...
..This isn't the first time either.



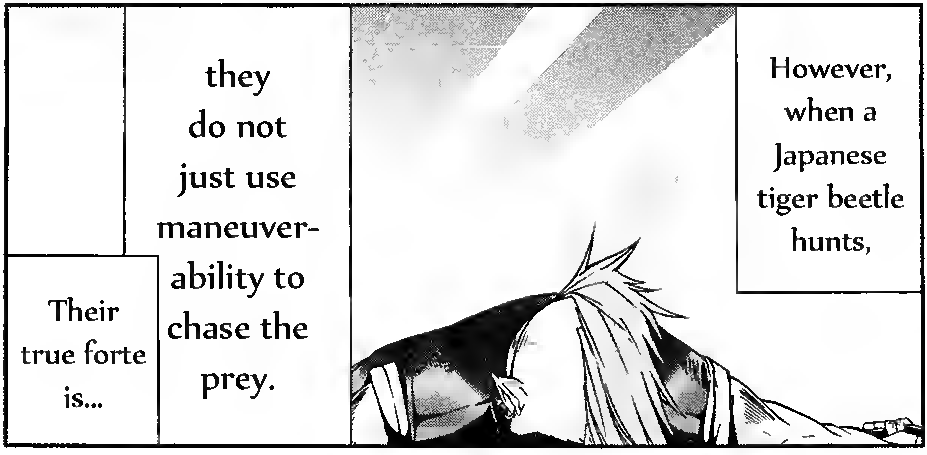
What is the reason...
...for targeting Fujii Alice's life?!
I was just taking it easy on you earlier, however...

...This next attack is for real.

Wearing beautiful speckles on its back
Nami Hanmyou, or the *Japanese Tiger Beetle*

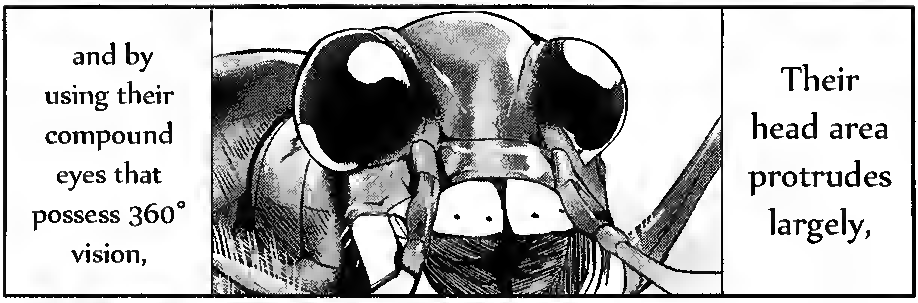


That sort of quick-witted behaviour is said to be similar to that of a cat's, thus being the reason behind why they are called Hanmyou. Han means speckle, while myou means cat.
it is a carnivorous insect that excels in instantneous short-distance flight.

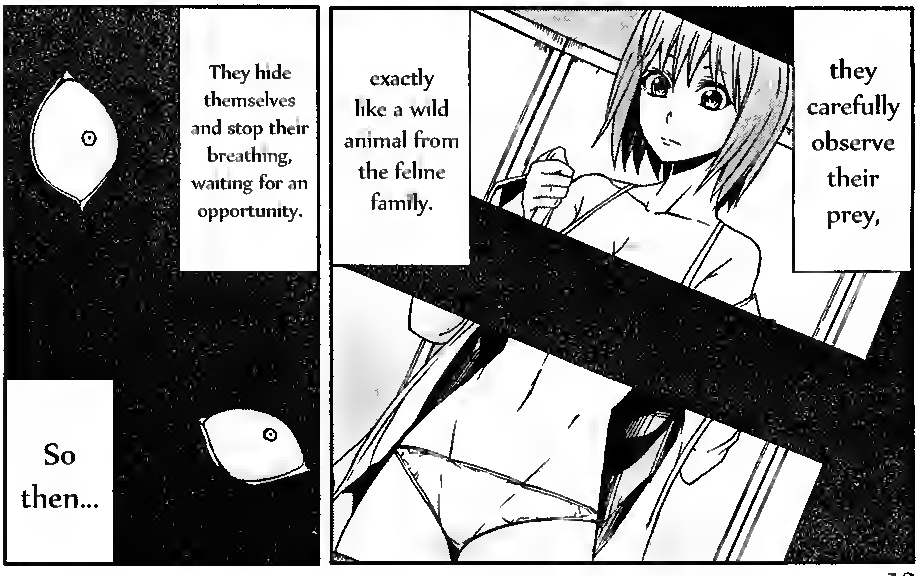


Their true forte is...
they do not just use maneuver-ability to chase the prey.
However, when a Japanese tiger beetle hunts,

...an ambush.



Their head area protrudes largely,
and by using their compound eyes that possess 360° vision,



they carefully observe their prey,
exactly like a wild animal from the feline family.
They hide themselves and stop their breathing, waiting for an opportunity.
So then...

That would be...
...do they exhibit this instantaneous power they were endowed with since birth?
...Just when exactly ...

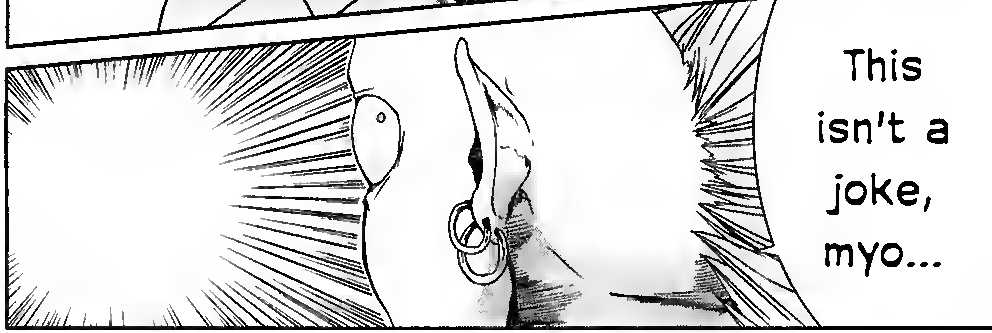
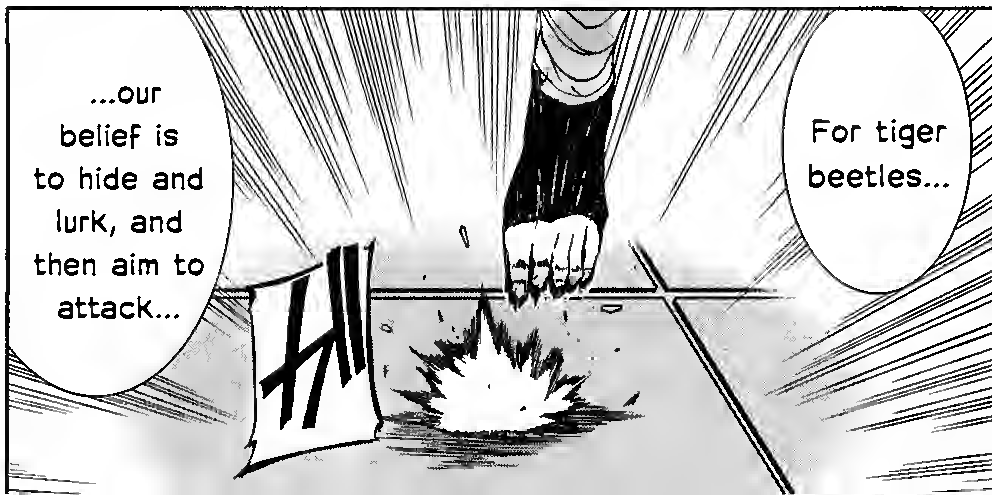
W-
WHY YOU...
COWARD!
STOP!!



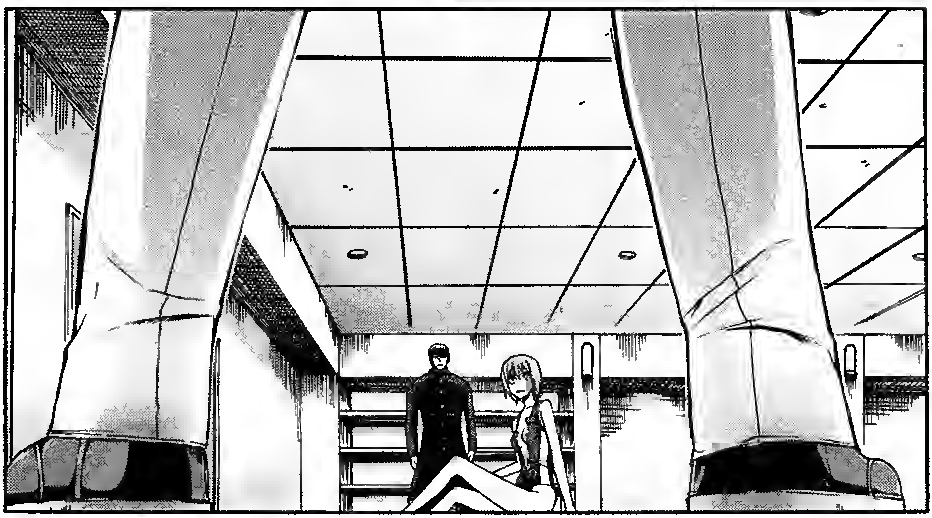
This isn't a joke, myo...

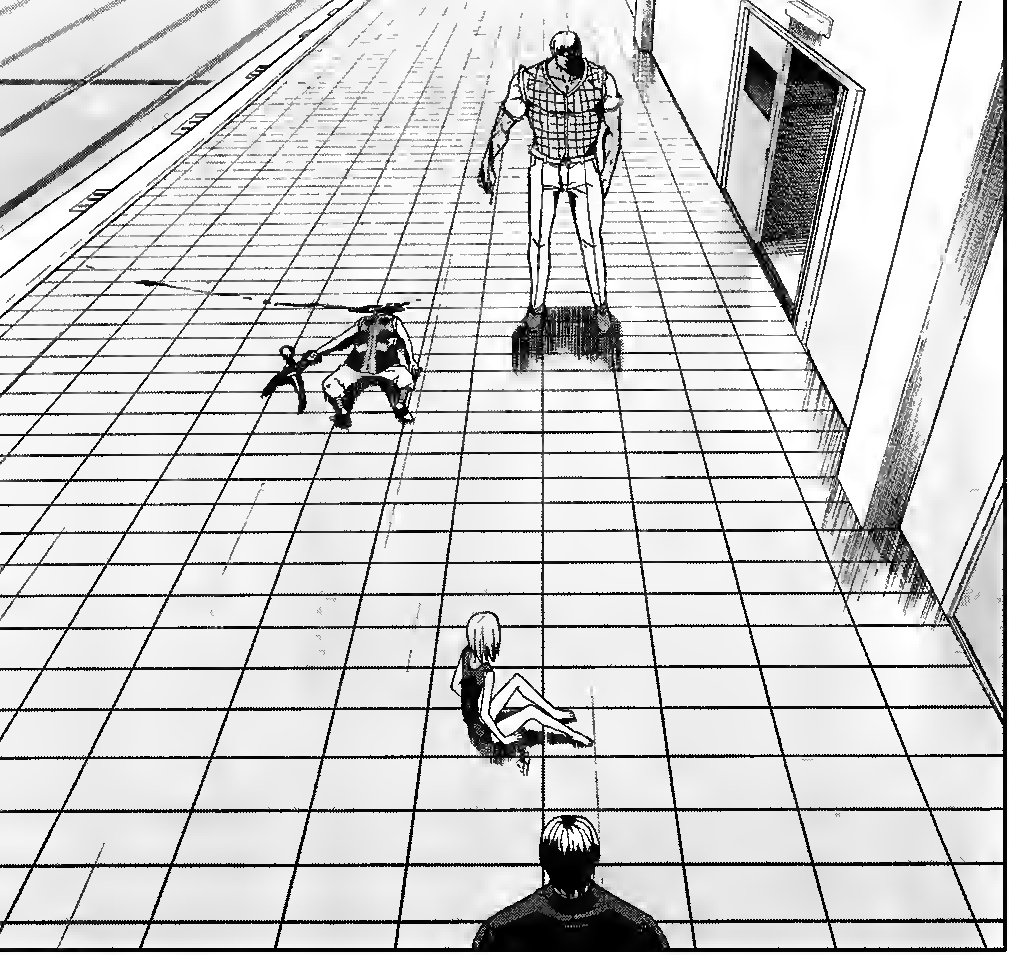


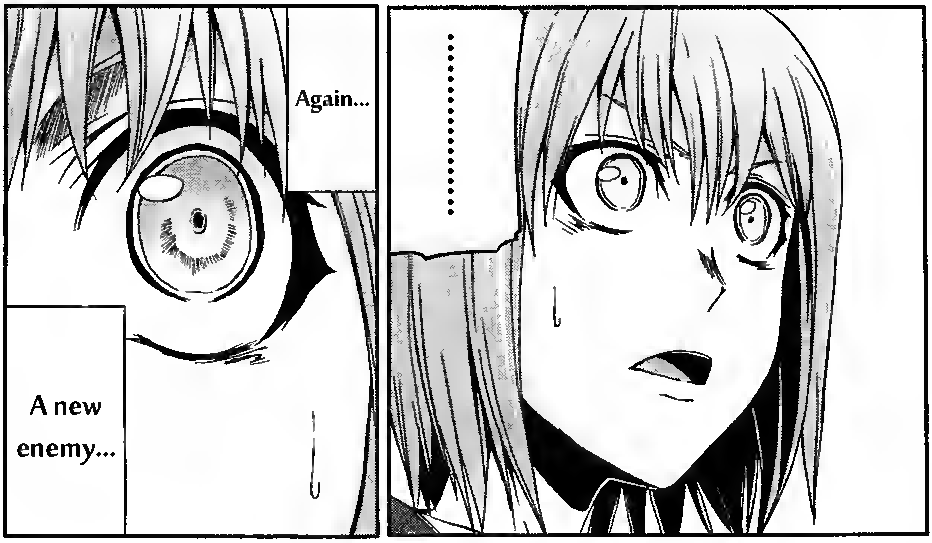
For tiger beetles...
...our belief is to hide and lurk, and then aim to attack...
HH

...I won't make such foolish actions, myo..!
Battling head on...
...and then I will form a new strateg-
For the time being, I shall evacuate...
Hm?

What the...
Myo?
仙术







Again...
A new enemy...

ガラン

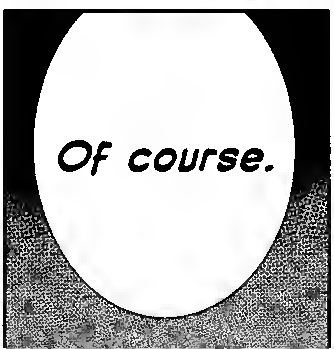
Do you know?



Of course.

...was the insect that it was modeled after?
ガラン
So then, just what exactly...

That would be me.
Riokku.
